

Remedy Intelligent Staffing is a professional staffing organization that has been staffing for 10 years in 15 offices located across the state of WI. The Remedy offices that NorthCentral FSET program customers have worked to find employment with are in Wausau, Stevens Point, Medford and Reedsburg. Since the beginning of 2018, NorthCentral FSET customers have gotten employed **39** times through Remedy Staffing!

When asked what Remedy's mission, vision and values are, Market Manager Terra Thompson said, "we strive to place candidates in the appropriate work culture they are looking for!" With Remedy's commitment to excellence in placing each candidate in the right job for both the candidate and the company, potential employees can be sure that Remedy will take care of them. Terra also emphasized that "we ensure that our associates are paid on time, we make this our number one priority." Since winning Inavero's Best of Staffing Talent award in 2018, Remedy has continued to provide consistent and high- quality employment to everyone they work with.

Some of the current openings that Remedy has in Stevens Point are for fork lift operators, food production positions, assemblers, and material handlers. If you would like a direct referral for employment to Remedy Staffing, just contact your case manager at any time! Your case manager will reach out to the Career Services Specialist for your FSET office, who will make that referral on your behalf. For more information, please
